

## CHAPTER ONE WINELIST

Welcome to Chapter One's winelist. We have endeavoured to source wines from small organic or biodynamic producers where possible. Wines from larger producers are always quality focused, with a view to giving you maximum drinking enjoyment.

By its very nature, this list is not exhaustive and continually evolves and develops in an organic fashion.

Our wine by the glass selection is put together with food pairing in mind. To this end, we are always happy to share our favourite food and wine matches with you, whether having a tasting menu or dining a la carte, just ask any of the team.

With the recent launch of the Coravin® wine access tool, we are now in a position to be able to offer some of the finest wines by the glass. This has to be the most exciting development in wine service in recent years and we would be happy to give you a demonstration of this fantastic innovation.

The wines we have chosen to serve with Coravin® are all mature examples of fine and rare wines that until now, would have only been available to those wishing to purchase the whole bottle.

We want every glass of wine served here to be enjoyed to the maximum, please let us know if, for whatever reason, you are not enjoying your wine experience and we will endeavour to find you a replacement glass or bottle to suit.

**Penfolds, Yattarna Chardonnay, Tasmania 2011** €280.00

### RED

**Penfolds, Bin 28 Kalimna Shiraz 2011** €68.00

*Ripe, robust and generously flavoured. Named after the Kalimna Vineyard from which the fruit was originally sourced, this is now a multi-regional blend with Barossa always being well represented*
