<i>Brown Rutherglen Muscat</i>	glass	100 ml
<i>(average age: 10 years old)</i>	50 ml

Few wines can elicit a response on first tasting quite like Rutherglen Muscat. The multitude of aromas, the incredible depth of flavour on the palate, and a finish that seems to linger for an age... the first sip of Rutherglen Muscat is a memory that stays with a wine lover for life.

This Muscat is a wonderful example of Rutherglen Classic Muscat. Bright amber in colour with just a tinge of orange, this wine has a heady aroma of muscat fruit plus raisins, fruitcake, burnt toffee and zest. The palate is rich and luscious, and shows a fine balance between sweetness and freshness on the finish. Muscat is regarded as the world's richest wine.

A fantastic after-dinner wine. It is one of few wines with the intensity to stand up to chocolate based desserts and works well with the richer flavours of coffee, caramel, vanilla, butterscotch and the like. This wine can also pair well with fruit based desserts, sorbets and ice cream.

Great served over ice as an aperitif to kick start the appetite, with soups, terrines, charcuterie and even spicy dishes where the sweetness of the wine serves to counter the heat of the dish.
