BOTTLED IRISH CRAFT

Brú Lager €6.50

Clean, bright and refreshing - it also happens to be gluten-free. With biscuit from the malts and spicy notes from the German Tradition hops. Akin to the cheerful chief of the Celtic god Dagda's devotion to agriculture, this lager is our love song to malts.

Stonewell 0% €6.50

Stonewell 0% is a refreshing non-alcoholic alternative to cider. Fermented using typical bittersweet apples, a reverse osmosis process was used to extract the alcohol from cider. This leaves all the characteristics created by fermentation without the alcohol.

Stonewell Medium Cider €7.00

This is a classic cider. With a wonderful fresh apple juice aroma and effervescence that tickles the nose the cider gives an initial burst of sweet apple flavour on the palate followed by citrus and woody notes derived from the bittersweet and Jonagored apples used as the base ciders.
